

ATTENTION MEDICAID RECIPIENTS AND APPLICANTS

The law has changed!

Starting in October 2006, if you are a U.S. citizen, you may be asked to provide proof that you are a citizen.

The new law will not affect you if you are on SSI or Medicare or if you are not a U.S. citizen.

If you are now on Medicaid, you may be asked for proof at your next Medicaid redetermination.

Your caseworker will tell you what you need to provide and will help you to get it.

If you have any questions or problems, contact the Legal Aid Society office in your county:
